

# Connect and engage with the Alation Customer Community!

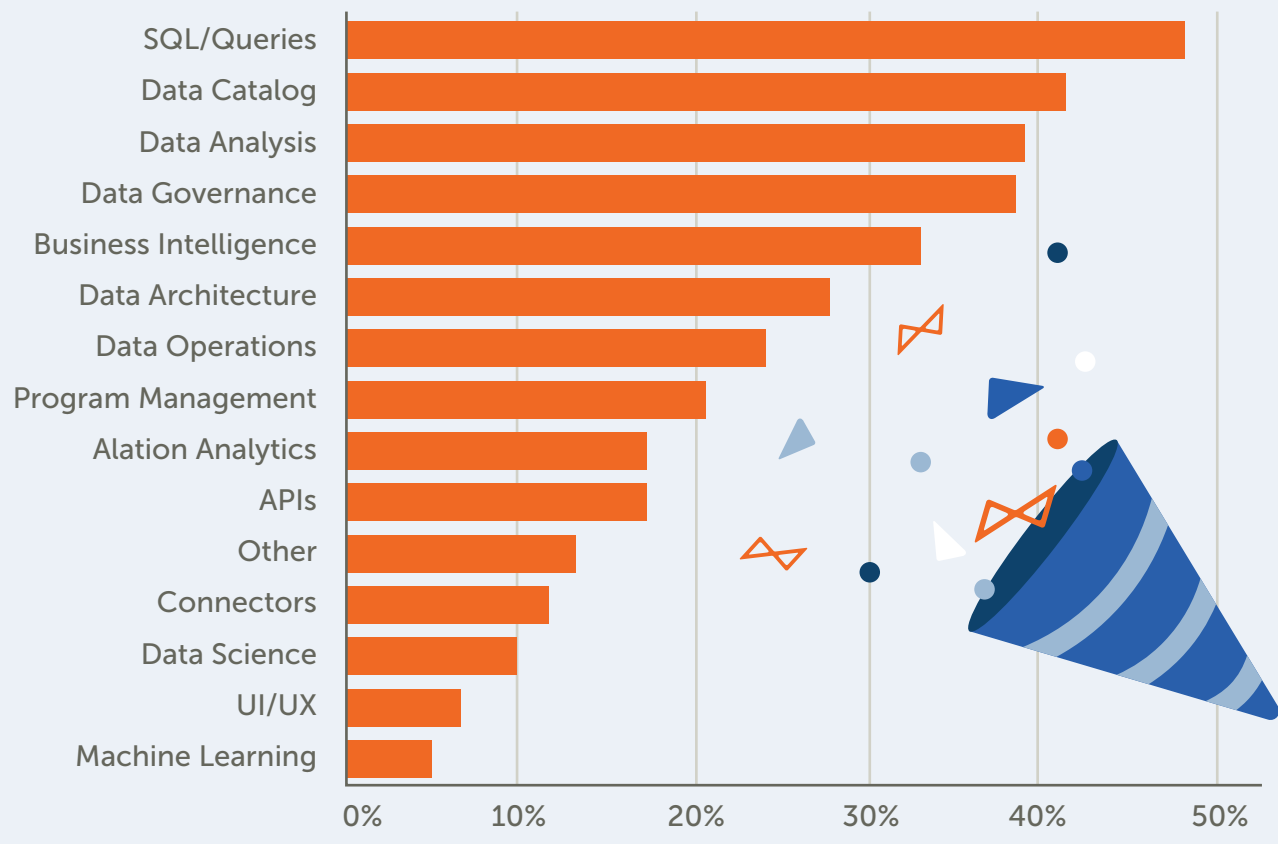

From 90 early adopters to nearly **7,000 members** representing **400+ companies**, the Alation Community has come a long way in the past three years. Thank you for your engagement, knowledge sharing, problem-solving, and expansion with us! We aspire to connect with each one of you and for you to connect with your peers in our Alation data family.

## Who Are We?

Alation Community members are experts in multiple areas:

## Adoption and Engagement

Community members come to the Alation Community to learn best practices and workarounds, access product guides, and ask a technical question.

Since the Community launched, members have:

posted over **5,900 discussions**

wrote over **245 blogs**

asked over **170 questions**

## What are Members Telling Us?

**66%** of community members claimed community participation helped them to build a professional network!

"A valuable part of the Alation experience."

"The community is awesome and we could not have done what we did in such a short period of time without the support. Great job in organizing the community and the briefs."

"Good to use Alation Community for exploration work."

"Thank you all for organizing the Community Circle. It is a great opportunity to share experiences and learn from other community members."

"I appreciate reading how other companies are using Alation and getting answers to questions."

"The Alation Community is very helpful — extraordinarily helpful — one of the main reasons we purchased the [Alation] tool is because of the Community."

"Thank you all for this lovely community/culture; a wealth of knowledge and expertise for us."

"I love the Community!"

Includes results from September 2022 Community annual survey.
